Instructions for Internal Transfer Applicants: MorrisseyCollege of Arts and Sciences

Please read the following information carefully.

Your application for transfer will be reviewed when you contell application processly you have questions about the process, please inquire at The Academic Advising Center in Stokes Hall.

Students applying for Internal Transfehould register in their current school uring registration in November or April and make any adjustments during the drop/add period.

Transfer Criteria:

- ¥ Applicants should be in good academic standing.
- ¥ Applicants should have the expected number of credits for their status. Note that the course load for students inMCASis normally ffteen credits expect to major is required.
 - ¥ Major Field: The general requirement of the lorrissey College of Arts and Sci

field is the satisfactory completion of at least 30 credits offered or accepted by the major department as appicable. The requirements for each CAS major field is found in the Boston College Catalog in the Undergraduate Program Description section of & CAS department You must discuss the requirements for your field with the DUS of your department or his/her authorized epresentative.

¥ Students should have a plan as to how they will fulfill the MCAS after you have your projected department of his/her faculty representative. Ask the Form T2(Departmental Major Approval Form)

- Write a brief essay stating your reasons for wishing to transfer tol Sciences.
- ¥ Return Forms T1 and T2, as well yessur essay to the Academic Advising Centein Stokes Hall by the end of the semester.

Decision and Notification:

When the current semester's grades are available, the Deans will meet to decide on the applications
